THE 1976 CRUSADER YEARBOOK VOL. VII

PUBLISHED FOR THE STUDENTS OF HARRY ELLS

130 33rd STREET RICHMOND, CA 94804

THIS HAS BEEN A PRETTY GOOD YEAR. ELLS HAS BECOME ONE OF THE MOST DESIRED SCHOOLS TO BE PART OF IN THE DISTRICT. WE ACHIEVED IN SPORTS, EDUCATION, AND IN THE DISCOVERY OF OURSELVES THRU EACH OTHER. OUR SUCCESS IS PARTLY DUE TO THE "SKY HIGH" SPIRIT ON THE FACES OF EVERYONE IN TOUCH WITH ELLS. ISN'T THAT WHAT ELLS IS REALLY ALL ABOUT?

'76 IS THE YEAR OF THE BICENTENNIAL, THE YEAR TO REKINDLE THE PRIDE IN AMERICA WE HAVE AS AMERICANS. IT'S A FUTURE FOR THE BETTER.

OUR YEARBOOK HAS BEEN IMPROVED SINCE LAST YEAR. COLOR HIGHLIGHTS OUR BEST BOOK EVER. WE FEEL THAT OUR NEW TECHNIQUES AND INVOLVEMENT WILL MAKE THIS YEARBOOK MOST EXPRESSIVE FOR EVERYONE. A SPECIAL EFFORT HAS BEEN MADE TO RECOGNIZE AND GIVE EQUAL SPACE TO ALL ACTIVITIES AND ACTIVE GROUPS.

THIS IS YOUR YEARBOOK — A RECORD TO KEEP. IT REPRESENTS AN ERA IN YOUR LIFE, AND THE PEOPLE WITH WHOM YOU SHARED IT. IT'S A YEARBOOK THAT ALL SHOULD BE PROUD TO OWN AND AUTOGRAPH. AT ALL SCHOOL REUNIONS, YOU WILL BE PROUD TO SAY THAT YOU WERE PART OF THE HARRY ELLS SPIRIT OF '76.

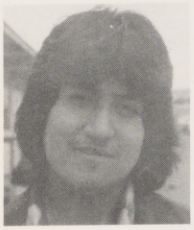
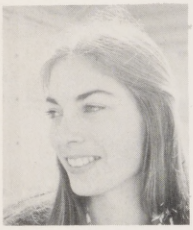
Question: Now That You Made It, What Advise Would You Give The Freshmen?



Alvaro Villagomez
Good Luck you're going to need it in the next four years.

David Robinson
Stay out of trouble and go to class.



Lynda Ulen
Try your hardest and make the most of it.

Evelyn Aquinde
Study hard and get out fast.

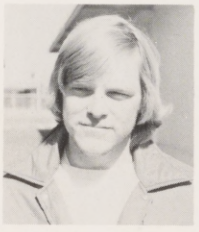
Steven Lynch
Don't cut because you won't have to struggle your last 2 years.

Vicki Brown
Take your hardest classes in your first 2 years. Then in your Senior and Junior year take the easy classes.

Esther Aquirre
Hang in there

Sandra Blodgett
Go to class and do all your work. Take all your required classes first.

Judy Preciado
Stay together as a class.



Bill Bartholomew

Bomb The Eagles

This year, we the class of "78," got it all together and designed our very first homecoming float. As spirited sophomores, we worked for weeks to complete our great entry. We didn't enter a float last year but we've made up for it. Congratulations to the class of "78," you've done a fantastic job!

ELLS EMPORIUM

The Ells Emporium is a class taught by Ms. Raun-Linde. She is assisted by Paul Garamita and Kathy Ruthnik who serve as managers, and are both former Harry Ells students.

When the Emporium started, in November, 1974, it had only a few students, and used old supply cases for shelves. Currently the Emporium has 54 students and it has been improved by new show cases. To make the atmosphere pleasent, music is played and hanging plants are in the shopping area.

The Emporium sells everything from pencils to fish nets, but it's best selling items are candy and gum. It's hottest items are Falcon tee-shirts and zodiac rings and bracelets.

The students who work in the Emporium say they enjoy the experience and really think it will help them get jobs in the future.

IN HONOR OF DR. MARTIN LUTHER KING

Martin Lurther King, was born Jan 15, 1929 in Atlanta, Ga. and assassinated in Memphis, Tennessee, April 4, 1968.

REV. DR. MARTIN LUTHER KING, JR. 1929-1968

I HAVE A DREAM that one day the state of Alabama . . . will be transformed into a situation where little black boys and black girls will be able to join hands with little white boys and white girls and walk together as sisters and brothers.

I have a dream today.

When we let freedom ring, when we let it ring from every village and every hamlet, from every state and every city, we will be able to speed up that day when all of God's children, black and white men, Jews and Gentiles, Prostestants and Catholics, will be able to join hands and sing in the words to that old Negro spiritual, "Free at last! Free at last! Thank God Almighty, we are free at Last!"

The students here at Ells believe this should be a legal Holiday and they intend to make it one! We feel that if all the students would stay home that day from school in the honor of the "Great AMERICAN, Dr. Martin Luther King, it will be declared a legal holiday for all Americans.

BLACK HISTORY CELEBRATION

Lynn Macon, Felecia, Gloria Adkins, Sheila Seals and Rita Fortson

Black History week extended from February ninth through the fourteenth. The week had been set up to honor the heritage of Black's and to learn more about the contributions Blacks have made in our country. Under the direction of Delores Jackson, for her seventh year, various activities were planned for the week. Many teachers had class discussions and students read poems and biographies of famous black people over the P.A. during morning announcements. Other events included a display of afro artifacts in the main hall showcase, and soul food which was served in the cafeteria all week. These activities were photographed by Mr. Brown's Photography class. A special assembly was held during 7B Wednesday February 11th.

SOUL FOOD FEAST

Colonel Sanders: "Eat your heart out."

Too many cooks spoil the pot?
'Tain't so!

One of the outstanding parts of Black History week is the lunch served in the cafeteria by our Black students. "Soul food" is part of Black culture, but is appreciated by all cultured.

For several years now Mrs. Jackson has been responsible for the "Soul food" preparation, and she is assisted by our students.

The students who did this work, began at 7:00 in the morning to prepare the food, they worked diligently all morning to have all in ready for the normal noon time lunch. Our students provided all of the work for preparation and clean-up.

All who ate the chicken, cornbread, sweet potatoes, and "greens" enjoyed the "soul food" cultural delights and had only rave comments to make about the feast.

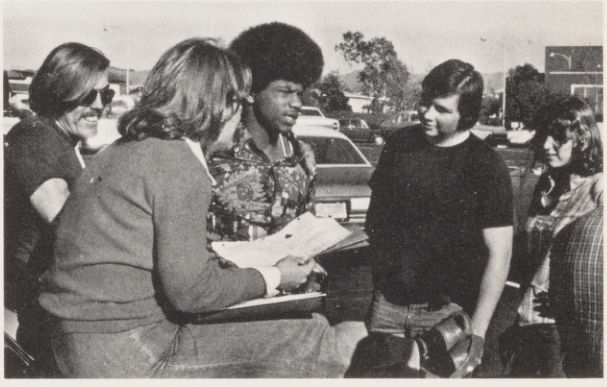
Debbie Novachick: "GO"

Pat Faggins and Sandi Phelps at the check point.



Its all over now - too bad, you didn't win.

Members of our B.O.C. calling themselves the "Spirited Minutemen of '76," decided to sponsor a car rally, a sort of scavenger hunt on wheels, to raise money for the Student Association Fund and promote spirit among the six Richmond Unified School District high schools.

Donations were gathered from local businesses and certain individuals for prize money and to cover the cost of advertising. A total of 95 dollars was raised. Associate Commissioner of Publicity, Donny Honda made over 100 Posters announcing the rally and Commissioner of Social Affairs, Gene Kahane, and Teri Zeimer, zeroxed information and rules sheets. Debbie Novachick, S.A. President called the Richmond Independent and got pictures and a write up in the paper.

Fifty-nine persons actually participated in the car rally in a total of 22 cars. These people started out at 12:00 noon on February 12. Eleven B.O.C. members, Sandi Phelps, Pat Faggins, Terri Pillow, Jarvis Emerson, Laura Luna, and Francece Hamilton were stationed at the ten checkpoints throughout the East Bay along with several Ells graduates and friends of B.O.C. members. These people were Mike Rivard, George Rivard, Corey Meyers and Michelle Born.

The first car returned at 1:55 with all the required tokens from the checkpoints thus winning the first prize of 50 dollars. The car's drivers and passengers were Byron and Patricia Lambie and their son Dana from Kennedy High. Mr. and Mrs. Lambie gave 25 dollars of the prize money to their son and donated the remaining 25 dollars to the Harry Ells student body.

Third prize of ten dollars went to Harry Ells' own Robert Dunn and Ray Ausban who crossed the finish line at 2:01.

All participants in the spirited Minutemen of '76 Car Rally thought it was a great idea and a lot of fun. The car rally raised over 100 dollars for the school.

Crafts Around The Campus

Creation here at Ells goes all the way from paintings to rings. We have classes to help students develop both artistic and mechanical ability. We have many students who take shop classes and create wood, and mechanical art work. Wood shop is a class where students build and create projects with wood. They write out the plans and cut, sand, and work the wood into useful and nice looking things. We have many people at Ells that have the ability and the talent to create.

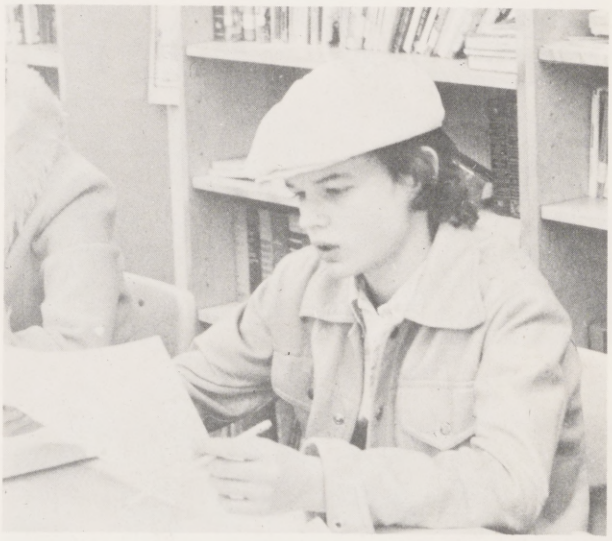
Raskob

Kathy McMillan, Ms. Doherty, Junius Randle and Vienna Fernandez.



Jim Hamilton, hard at work.

The Raskob Developmental Reading Program was widely accepted as a nessesary asset to the improvement of our students here at Ells.

In one quarter this year, gains of reading skills were from two to three years.

The main reason that the program seems to be working is that the teachers help their students through their own methods - the methods that are the best for the students.

The students feel that they can communicate with the teachers best in small groups where the teacher can devote more time per student.

The Counselor Community workers and Tutors are very special to this program. Students are given every opportunity to succeed.

If the government renews funds of ESAA and project is accepted, the program will return to Harry Ells to do a bigger and a better job.

Thanks should go to all involved in this wonderful program.

Ms. Doherty, Terry Paige, and Nelson Boughton

SPIRIT OF '76

There are many types of spirit at Harry Ells. The students are the main makers of the spirit, however, all contribute to the spirit at Ells. Spirit at Sports events is probably the most evident, but at school people still show their enthusiasm. Visitors see this, and often comment on the spirit.

Friday's are special spirit days. The colors of purple and white and all the colors of the rainbow can be seen throughout the campus.

The next 15 pages are devoted to the spirit of Harry Ells.

The Man On Top
Mr. McCormick

School Spirit - does Ells have it? I think so and here is why. I feel that the ingredients of "school spirit" are: involvement; helping to make school a happier place to be; a feeling that you are a part of things; and people caring about what happens to other people.

Let's see what happens if we put these ingredients together. How do you get people involved and to help develop positive attitudes about school? First, people have to feel that someone cares about them. I feel that one of the best ways to develop the feeling that someone cares is try to understand their concerns, their point of view, and their feelings. Does this happen at Ells? I feel it does - in fact I feel there are more people at Ells (staff and students) who are willing to try to "listen" than any other school I know. When a person feels "someone cares," he feels more comfortable about getting involved and in working cooperatively with others in some activity that they can all enjoy.

I feel that people at Ells "can and do express their concerns within the family of Harry Ells students and staff members," but at the same time, they are willing to "stand up and defend the pride and honor of Harry Ells High School to people outside of our Ells family." This is the spirit that we at Ells are proud to be a part of and that we call "purple pride."

The B.O.C. Is Involved

The Board of Commissioners is our student government. They meet every Monday on alternate periods. During these meetings they discuss and plan our school activities such as, rallies, parades, dances, and homecoming events. The homecoming events began and ended with the B.O.C.

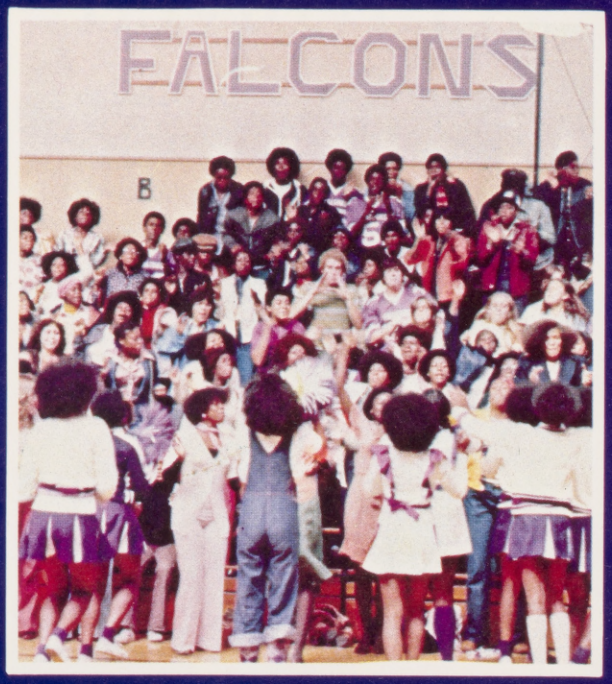
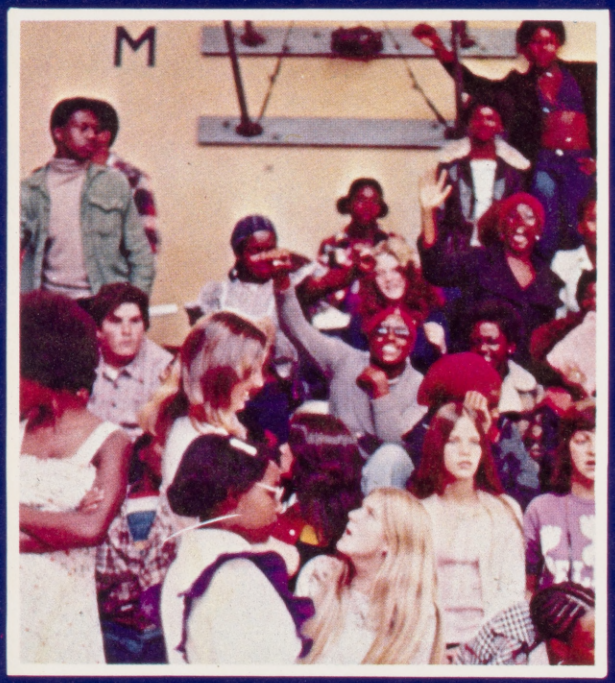
Spirit Rally Sparks The Fire

Seniors spirit never dimmed. They were always a tough class to beat.



The Homecoming Rally's spirit stick was awarded to the Juniors. Their spirit was on top at that rally.

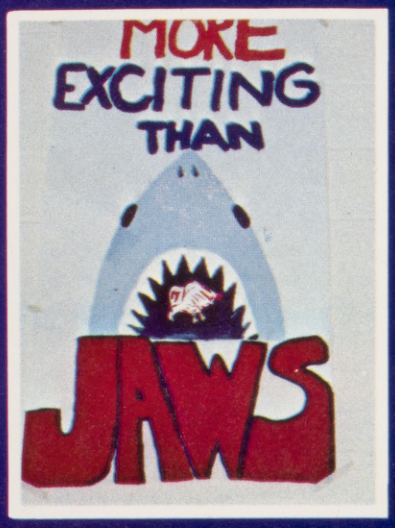


Sophomores put up a fight and they were pretty tough.

Freshmen's enthusiasm was great throughout the year.

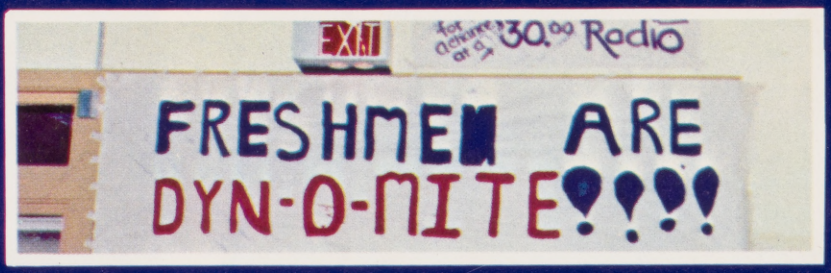
The Halls Of Harry Ells

The kickoff of the Spirit Week started with the decoration of the halls. Each class decorated a different wing and waited patiently for them to be judged. The senior hall was the winning one this year, but all were great. They showed imagination, color and lots of spirit.



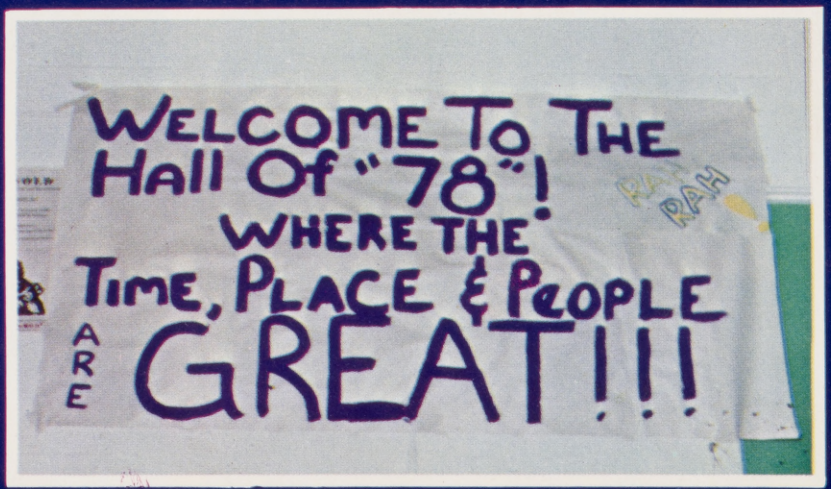
Watch out - Eagles!

The seniors won!!!



Freshmen tried.

The spirit of '76



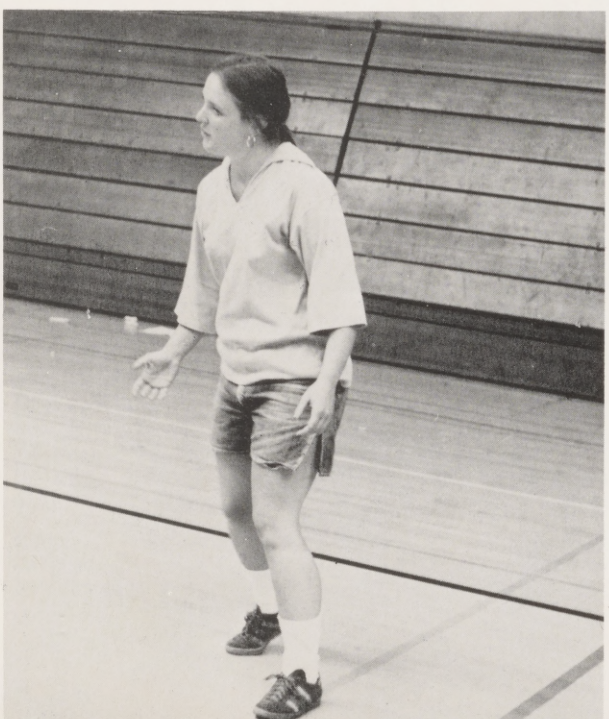
Wait 'til next year sophs.

Teachers Show Spirit

Recipe For A Harry Ells Teacher

Break up a pound of dedication (as in J. Cone and P. Brown) into a large iron pot. Add a gallon of imagination (as in G. Chandler.) Mix well and bring to a simmer. Pour in exactly four cups of humor, not too much, not too little (G. Hawks and R. Kelly.) Add one gallon of student relations (B. Bodine and L. Dixon) and bring mixture to a boil. Mix in two half pound chunks of responsibility above and beyond the call of duty. (E. Harter and J. McNickles.) When mixture looks slightly sticky add one half pound of motherliness (M. Seidlitz and M. Finn) of fatherliness (R. Brown) as the case may be.

In another bowl mix together an eighth of a teaspoon of ruthlessness (J. Bilota and E. Takeda) with a quarter cup of "Too smart to be witted" sauce (O. Pardini.) Don't forget to add this, a sauce that will make your teacher tangy. Cover and boil for one week stirring often to mix the ingredients well. Pour into a mold. Finally add at least two or three gallons of SCHOOL SPIRIT. Do not mix it in. This most important ingredient sits on top where it will show the most. After the concoction sits, take out one Harry Ells teacher. Serve immediately between periods one and seven.



The Fans In The Stands

Crowds of screaming people seem to help our football, basketball, and baseball teams more than anything else. These are the crowds that cheer us on to victory and cheer us up from defeat. These are crowds that are there when we need support, always gathering whenever something exciting or interesting happens. That's why they are always there at all activities, parades, and rallies. Thanks to you, we are what we are.

Parade With Purple Pride

Members of all the classes were all involved in making the Homecoming Parade. The floats had to be completed on time. The parade was held during the lunch hour on Friday. It began on 33rd St. and MacDonald Ave. and ended at the Gym.

Cheerleaders
Pom Pon Girls
Letter Girls

We have four spirit groups that perform throughout the year.

Three of these are the Cheerleaders, The Pom Pon Girls and the Letter Girls. These Girls help make the school what it is.

The Cheerleaders and the Pom Pon Girls attend camp each summer in order to learn new routines. The groups compete with one another. This year both Ells Groups have won awards.

With The Spirit Groups

The Pep Club

Each year Mrs. Jackson sponsors ninth grade students, to become members of either a Pep club, Gospel choir, or Drill team. This is done with deliberate care, because all want the ninth graders to become a part of the school.

This year the Pep club is the largest of the spirit groups with a membership of over thirty girls. They choose their own patterns and make their own uniforms. The Ells Pep club plays a major role in helping to keep spirits high at school.

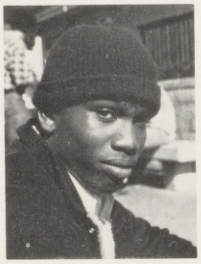
Pep Club

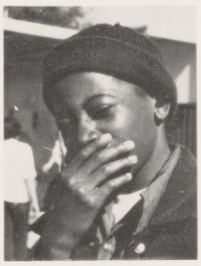
The members of the Pep Club are Glenda Dixon, Yolanda Ford, Nikita Honable, Theresa Head, Mrs. D. Jackson (sponsor), Swanda Williams, Kerri Sonnier, Sylvia Myles, Gwen Thomas, Gwenda Turner, Devatta Davis, Satah Mitchell, Kim Johnson (Co-head), Cassandra Thomas, Antinette Anderson, Venita Faggans, Chequitha Davis, Tisa Jones (Co-head), Patricia Cooper, Anita Stewart, Elaine Harris (Head).

Why Do You Think

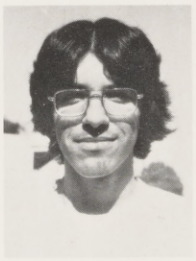


Broderick McCray:
Because we got beautiful people.

Jenny Allaire:
I think there's a lot of spirit here because we're just like a big family.

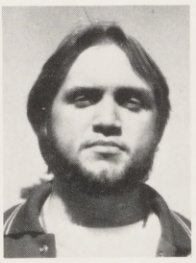


Larry Lowe:
Spirit of "78."



Peter Gatto:
Because the junior class makes it that way.

Brenda Royal:
Because of the students participating in everything.



Rodney Carter:
Because of the spirit groups. They really put a lot into their stuff.

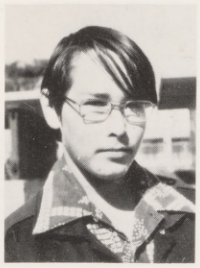
Mr. Avalos:
Because our school is small. The faculty really cares about students as people, not just students.

Ms. Dixon:
Partially because we've been considered a second rate school, and that angers the students. We want to prove that we are No. 1.

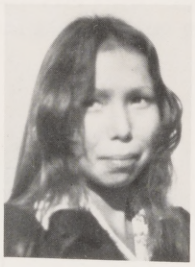
Rene Bishop:
Because of the people that are here. The people aren't prejudice.

Jeff Ridge:
Because we have U.S.D.A. prime choice Buzz-zz-zz.

We Have Spirit At Ells



Joseph Miller:
Because there's so much to have spirit about.



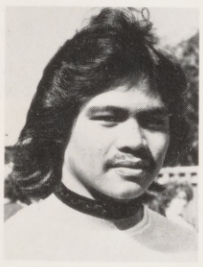
Vicki Begay:
People like the things we do. Therefore, we want to participate.

Mimi Ishihara:
Spirit here is good, but we could use a little bit more.

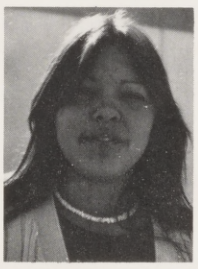
Kenny Walker:
Because we are the best school.

Susan Lewis:
There aren't so many rowdy people. They're more with it.

Margaret Serrano:
The races work together with a good attitude.

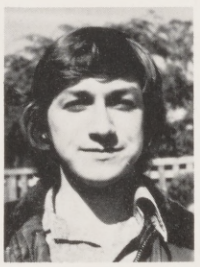


Davy Gutierrez:
There are a lot of active people. They're not bashful or stuck up.



Darlene Martinez:
Because there is a lot of mouths, and good activities.

Melinda Presa:
Because the Juniors and Seniors care about the school, and have a lot of spirit.



Gene Newcomb:
Because we're proud of our school, and we have a good football team.

Color Speaks Louder Than Words

Color has it's own voice, theme, and effects. Harry Ells is surrounded by "people in the spirit," displaying many messages through their clothing. You sometimes are able to understand people by the clothes they wear, and especially the colors they display with their clothing. Our motto: "Purple-Pride" is evident among student falcon fans and faculty members. Since color speaks louder than words, you certainly can see "Purple-Pride" extends beyond the color purple.

Falcon Football

Despite injuries, disputed calls and heartbreaking losses, the Harry Ells Falcons fought back to win the title of the Little Five Conference in its first year of existence. The Falcons won two non-league games when they shut out Collage Park 14-0 and defeated Oakland High 28-12.

League Play opened with a disappointing 6-6 tie against Encinal. The Falcons fared much better in their second league game with a 12-0 shutout of San Leandro, but were beaten by Eureka 18-0 in Eureka. Against Kennedy the Falcons won their second game, another 12-0 shutout against the Kennedy Eagles. The Falcons destroyed Pacifica 28-3 in their fifth league game. The Falcons also beat Richmond 26-8 in their sixth league game. Against Pinole, the Falcons lost for the first time in 3 weeks by the score of 28-6. The Falcons got back on their winning streak once more to beat De Anze 22-6. The Falcons final league record was 5 wins, 2 losses, and 1 tie, good enough for first place in the Little Five Conference.

Girls Swim Teams

The Harry Ells girls swim team this year was coached by Ms. West. This year the girls really put the Ells spirit into their performance. Our girls put in a lot of time and hard work for Harry Ells High. A lot of girls signed because the swim team offers the girls a good opportunity to be active, to compete in a team framework and to obtain recognition as a participant.

Harry Ells may have had a small team but we had many great girls. During the season both Varsity and Junior Varsity swam against DeAnza, El Cerrito, Kennedy, and Pinole, as well as traveling to Napa for a try meet. The varsity won their first free style relay even in a dual meet against Pinole Valley.

The season culminated in the league championship at Kennedy Swim Center, where Nina captured two first places. She won in the 100 yard breast stroke in 1:22.8. In the Junior Varsities, Sandy Westhoff won a 2nd place medal for the 50 yard breast stroke. Other fine swimmers were Beverly Bass and Amy Flecher.

Ms. West, this year's coach, says, "The team was wonderful." I haven't coached so many fine girls. They really tried hard and put the Ells spirit in the competitions.

Girls Volleyball Team

This year's Volleyball Team improved for several reasons. One was because the team was better disciplined by the effort of their dedicated coach, Ms. Schweirs. Over the summer vacation Ms. Schweirs, on her own time and expense, went to Volleyball camp. The results of all her efforts were shown by the improved ability of the team. All members of the team put in long hours and great efforts to show their "Purple Pride" for Harry Ells.

Though we weren't able to capture the championship, the Varsity team defeated both DeAnza and Kennedy, and did manage to come the closest to beating the undefeated El Cerrito. The J.V. team defeated Kennedy, Pinole, DeAnza and Albany.

No individual player should be singled out because volleyball is a team effort and only by a team effort can we attain victory!

GIRLS' TRACK

The Girls' Track Team coached by Joanne Valuch is making new inroads in the area of girls athletics. All of the girls who have reported for spring training are spirited and anxious for competition. It is too early, at this time to identify all of those who will participate and all of the events that the school will compete in, but it is a fair guess that we will be strongest in the running events and the long jump.

GIRLS' BASKETBALL

Our Girls' Basketball team, win or lose, was always high in spirit. They put a great deal of time and effort into their practice and games, while enjoying the competative aspects of the sport.

This year our team played, El Cerrito, Richmond, Kennedy, DeAnza, and Pinole. Our outstanding win was against Richmond, when pride, sportsmanship, and competative effort brought us home a 39 to 41 win.

All our girls' were tops; however, the outstanding player was Ana Gabriel. Our hope for next year is that we will have many more willing girls who will give their all. Then we will show the whole league the power of the Purple Pride Spirit!

GIRLS' SOFTBALL

The girls softball team this year has done a fantastic job. Not only do they get out there and play a good game of ball, but they are also one of the most spirited teams at Ells. These girls really do think that, "its not whether you win or loose, its how you play the game," and they play to have a good time, and win if they can. Congratulations to one and all.

WRESTLERS LOOK STRONG

David and Herbert square off.

Varsity:

This year's matmen are contenders again for the A.C.A.L. crown, despite a poor dual meet record. Our grapplers opened the season by capturing the San Lorenzo Tournament last December. They look strongest in the 98 to 154 lbs. weight classes. Unfortunately, a lack of experience in the upper weights cost the team victories in many dual meets.

J.V.:

The J.V.'s have a great dual meet squad. They also have a chance to take the A.C.A.L. crown for the second season in a row. The Junior Varsity grapplers appeared to be strong all the way with most of their power in the 112 to 165 lbs. weight range.

1975-76 BASKETBALL

This year the Falcons basketball fortunes seem on the rise, perhaps the best season since 1973 when the team won 19 games and made it to the play-offs. In pre-season action they won the Palmas Tourn. in Salinas, and in double overtime game in the Drake Tourn. The Pacific game on Feb. 3 was crucial but the Falcons won a recaptured first place. Asked how his team performed, Coach Abel replied that the team played well. Although they may look down some days, the team plays with more intensity and more team work every game. The squad is becoming balanced in shooting and rebounding not only a few of the men but everyone on the team is contributing.

A Good Year For Soccer

The 75-76 season was a experimental season for the soccer players. The soccer team struggled through some games against superior height to gain the skills needed for 1977. Some of those who improved greatly were Victor Mejia, Frank Gonsalez, and Ceasr Minor. Most interesting, some of the freshmen really helped the varsity team.

Soccer has taught players that winning isn't the only value. Integrity and work are also important. The players now feel that pratice makes perfect.

Congratulations to the soccer team for the fine effort they brought to Harry Ells this season.

Dance is grace, creativity, beauty and poise. Ms. Smith, aside from other courses, enjoys and is best at teaching Dance to both men and women at Ells.

This year we have had an overwhelming enrollment in all of the Dance classes. The participating men and women have put their mind, body and soul into many long hours of practice. We hope to have, in the near future, a Dance program all to itself, so that all who want to learn the grace and creativity of Dance will have the opportunity.

ELLS BASEBALL

The Varsity baseball squad whose won-loss record last year was 10-15, think they may have shot at the ACAL title. "I think our teams' chances to take the ACAL are as good as anyone else's, if our pitching comes through" notes Coach Bill Erkkila. I know our practice schedule will benefit us, because we play Skyline, Castlemont, and Salesian who were all rated in the EBPWA poll top 15 last year. The Falcons feel that their toughest competition in league play will come from Pinole Valley and Kennedy. Returning from last year's varsity are Bill Bartholomew, Reggie Ward, Curtis Coleman, Raynard Neal, Leonard Neal, and Dino McGee. Joining McGee in the outfield will be Michael Allen, David Campbell, and Steve Harris. Other infielders are Tyrone Carter, Sandy Bernstine, Rick Espinosa, and Broderick McCray. Doing the pitching chores will be Demetrius Garnett, Michael Belser, and Jay Banassi.

The Harry Ells Track Team looks to have another good year in the sport, for they have four Lettermen returning from last year's State Championship Team. With the graduation of Dedy Cooper and Ed Miller the team will have to find new strength in the hurdles and the 440 relay. In distance they will need a little help for the team lacks strength there especially since the school dropped Cross Country. In all other fields, we are expected to do well in competition.

Our gymnastics team is made up of a small group of girls who are coached by Ms. Smith. Our team competes with richmond, Kennedy, Pinole and De Anza. In our competition efforts all of our performers have done well. We hope to build a strong and large gymnastics program from this good beginning.

Tennis is a rapidly growing sport for both men and women all across the nation. This year tennis at Ells is sponsored by the Parks and Recreation Department. The Richmond Junior Tennis Team has a total of 18 players and consists of an A team and a B team. It is the first team of it's kind in the bay area and is for players age 8 to 16 years. The younger players attend Downer Jr.High and a few assorted elementary schools. The team is co-ed and racially mixed. Rackets and balls are provided for the team by the Parks and Recreation Department. They practice four days a week, Monday thru Thursday, from 3:30 to 5:30. They play other teams and tennis clubs in the East Bay and later on in the year they will be playing other schools in an exhibition. Students from Ells are as follows:

Coach and Manager - Gene Kahane 12th Grade

A Team	Grade	B Team	Grade
Greg Jeffus	9	Pedro Gomez	10
Harold Kahane	9	Edgar Aguinde	9
Teri Ziemer	10	Jimmy Wong	9

THE CAMERA CLUB

Shown Above: Anthony Smith, Toni Fernandez, Greg Taylor, Jan Huddelston, Gains Stokes, Vincent Jennings

The Camera Club has been an active student club on campus since the first days of the New Ells. It has attracted many students who wish to use the photo lab during their lunch hour in order to work or just take pictures.

In these days when the Yearbook is produced by the advanced photo students, those students seem to get their "fill" doing the many yearbook photo assignments, therefore the Camera Club seems to get going only after the Yearbook is "put to bed." The Camera Club will grow steadily from the group shown above to many more by the time June mandates a break.

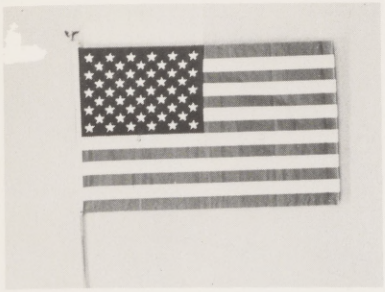
Our theme, "The Spirit Of '76," has been inspired by the spirit of celebration that extends throughout our country during this Bicentennial Year. One cannot help but see the symbols of the Bicentennial. Buildings, trucks, store fronts, packages and advertising copy are replete with red, white, and blue. Stars, stripes and other various National symbols seem to have replaced other attention getters.

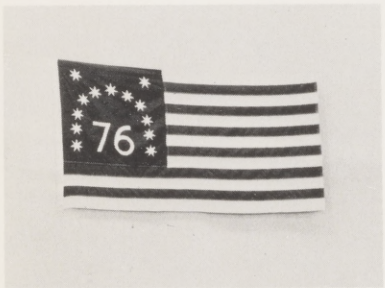
It seems as if attention is again greatly drawn to some of the symbols of our National origin - the historical flags of our country. This issue of our Crusader Yearbook has used parts of four flags of importance to us. These flags are pictured as integral parts of our class division pages.

The following information is intended to help you understand these National symbols.



The flag, as it is called by many, stands for the hard work, dedication and sacrifice of those who have worked to make our country one of the most successful and admired on this earth. The thirteen red and white stripes stand for the original thirteen colonies, and the fifty stars on a field of blue represents the union of the states. George Washington said of our original flag, "We take the stars and blue from our Heaven, the red from our Mother Country, separating it by white stripes, thus showing that we have separated from her and the white stripes shall go down to posterity representing liberty."

Some historians believe Betsy Ross, a flagmaker of Philadelphia, made the first Flag of the United States and suggested that the stars be five pointed. According to the Betsy Ross story, the thirteen stars of the United States Flag were arranged in a circle on a canton field of blue. The flag contained thirteen stripes of red and white. In both cases the number thirteen represented the thirteen colonies.



The Bennington Flag was carried at the battle of Bennington Vermont, during the Revolutionary War. The Bennington flag had seven white and six red stripes with the white at top and bottom its canton bore the numerals 76, surrounded by eleven stars in a horseshoe shape, with the twelfth and thirteenth stars in the upper corners of the canton of blue.

The official symbol of the American Revolution Bicentennial is derived from the stars, stripes and colors of the United States Flag.

The symbol takes the form of an American 5-pointed star in white, surrounded by continous red, white and blue stripes which form a second star. This double star is symbolic of the two centuries which have passed since the American Revolution.

This symbol is incorporated in a flag on a field of white and is widely flown in observance of our National Bicentennial celebration during 1976.

JAZZ BAND

Steve Reaves really practices hard for the next concert.

The Jazz Band performed at school concerts and also travelled around, and competed at the Fresno State University jazz festival over the leap year February 29, 1976 weekend. They also competed with other schools around California at the Yosemite National Park festival on May 28, 1976. The band is under the direction of Mr. Don Neddeau.

Mr. Glover: "Anybody for chicken soup?"

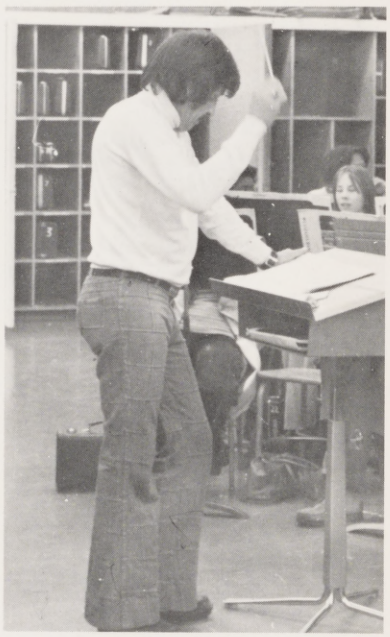
Mrs. Balagot the Acc. for all the Choral Groups.

Ellsapoppin really keeps um poppin here at Ells. They are the newest addition to the Music Department and a lively one at that. They have sung at many school activities and other outside functions. They have performed as far as Hayward and for other civic groups. All their performances includes a great amount of body gestures along with their singing. They practice after school under the direction of Mr. Glover. Since all their practices are after school and on their own time they are considered to be a club and also a part of the music department.

SYMPHONIC BAND

The Symphonic Band performed throughout the year at their annual winter, pop, and spring concerts. They traveled to Napa to play in the California Music Education Association (CMEA). They also competed with other schools from California at the Yosemite National Park festival on May 28, 1976. They are directed by Don Neddeau, head of the Harry Ells music department.

Mike Edie, Mark Whitehead, Rudy Frausto, Philip Stuhr, and Jimmy Almond.



Mr. Don Neddeau Band Director.

Staff Assistants - Roy Boswell, Greg Harris, Jimmy Pagliaro, and Dave Ernst. Yearbook Secretary - Jan Huddleston. Everyone served as photographer and lab technician. Yearbook Adviser: Mr. Paul J. Brown.

Producing the Spirit of '76 edition of the Crusader Yearbook has been no different than producing any other Yearbook, I am sure. It began with an idea - The Spirit of '76. "This was a natural decision for this is our National Bicentennial Year, and suggestions of the '76 Spirit abound.

The idea became the book's theme and soon a layout was made; but as most beginnings, it is only that - just a start. The original layout was changed and rechanged because of the need to recognize different events of our school year - this also necessitated adding more pages - a new change. Our staff also wished to produce a yearbook with color; we did; and
we have the largest and most colorful yearbook that Ells has yet had. It is only fitting, for this is a very special year.

There are eight full pages of color in this edition. The photographers of the yearbook staff produced these completely. They took the pictures, developed the film, and made the prints. This was special effort for a special edition done by very special students.

This yearbook is the result of many long hours of work on the part of many yearbook staff students. My thanks to all of those who gave their best for this effort.

In addition to the regular staff members my special thanks to Terri Pillow, who designed our cover; Mr. Frank Healy and his journalism students: Calvin Blake, Jackie Costa, Shari Henderson, Renay Jackson, Brenda Patten and Harriet Rochsvold, for providing much of the copy seen in this book. Without them our work would be done.

There are many others who contributed to this book. Among those are the students who promoted yearbook sales under the direction fo Mrs. Annie Soo, and those who worked with Ms. Mary Coffee to gain advertisers for our Yearbook. Of course those who purchased books, sponsorships, and advertising space have really made the effort possible and worthwhile.

Finally I must thank the Taylor Publishing Company Representative Mr. Frank McGivern, who has given us all needed assistance when needed. No one can appreciate this more than an "up against the wall" yearbook advisor.

Now it's in your hands. I wish you all many happy memories.

Paul J. Brown
